Appl. No. : **09/669,805**
Filed : **September 26, 2000**

The inventor hereby disclaims, except as provided below, the terminal part of any patent granted on the above-referenced application which would extend beyond the expiration date of the full statutory term of any patent granted on U.S. Patent Application No. 09/780,248 and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent granted on U.S. Patent Application No. 09/780,248. This agreement extends to any patent granted on the above-referenced application and shall be binding on its successors or assigns.

The inventor does not disclaim any terminal part of any patent granted on the above-referenced application prior to the earlier of the expiration date of the full statutory term of any patent granted on U.S. Patent Application No. 09/780,248, and that of any patent issuing on the above-identified application in the event that either one later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR § 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term, except for the separation of legal title stated above.

Appl. No. : 09/669,805
